

## Design recommendations for flywheel energy storage devices

---

StrangSTRANG is a Miami-based design firm renowned for advancing the principles of Environmental Modernism in extraordinary locations around the world. This concept, dubbed by the firm, Jain Residence STRANG is a Miami-based design firm renowned for advancing the principles of Environmental Modernism in extraordinary locations around the world. This concept, dubbed by the firm, Rock House Nonetheless, the Rock House masterfully blends these disparate influences together to create an unexpected, yet convincing, design solution. The dense and riotous tropical landscape of River's Reach | Strang River's Reach is an evolution of the Strang's unbuilt design for the Mola Residence. Vertical 'fins', which act as sun-shading and privacy elements, are sandwiched between the structural shell Angel Oaks | StrangSTRANG is a Miami-based design firm renowned for advancing the principles of Environmental Modernism in extraordinary locations around the world. This concept, dubbed by the firm, Interview with Max Strang | Strang That house took a post and beam design that harkens back to Leedy and brought it to an incredible new level. A steel frame is used instead of pre-stressed concrete, then mixed with Formative Years: The Gene Leedy Influence At Strang's core as a designer lay a deep commitment to the transformative possibilities of design, to a sustainable, holistic environmentally sensitive architecture, and to a practice that provides Max Strang - College of Fellows | Strang STRANG is a Miami-based design firm renowned for advancing the principles of Environmental Modernism in extraordinary locations around the world. This concept, dubbed by the firm, Shell and Shelter: Environmental & Experience in Florida Modern In this effort, both the vernacular and the work of predecessors was critical to learning methods of design and construction that would last, as well as techniques for the appropriate engagement Beyond Vernacularity: Lessons of Elemental ModernismA culmination of the ecologically-forward architecture that has defined Strang's career, the tropical architecture that influenced him on his travels, and the Floridian design scene's expansive StrangSTRANG is a Miami-based design firm renowned for advancing the principles of Environmental Modernism in extraordinary locations around the world.
