How are container homes structured? Examples of how some of our container homes are structured are outlined below. A one-floor, three-bedroom, shipping container home consists of two 70-foot Karmod shipping containers joined expertly together to create an inviting, cozy, warm, and three-bedroom home. A house that offers excellent value for money, H2, which doubles H1's floor space. What is a multi-container custom home? By customer demand, what started as primarily single-unit container homes has quickly grown to multi-container custom homes. Using a combination of stacked or adjoined 20ft and 40ft containers, we will create your dream home with features like full-sized kitchens, multiple bedrooms, and spacious living areas. Are container homes eco-friendly? Container homes are an eco-friendly alternative to traditional housing. By repurposing shipping containers, they reduce waste and the demand for new building materials. This makes them a sustainable and energy-efficient choice, especially when combined with renewable energy sources like solar panels. How long does it take to build a container home? Standard models can be crafted and delivered in 6-16 weeks. We also offer custom container builds. The Ezra is our original container home model and includes a bathroom, kitchen and bedroom space. Inspired by the home we built on HGTV's Tiny House, Big Living, the Kennedy is a 40FT container home. Are container homes durable? Each container home is crafted from high-quality, durable materials, including steel for the main structure and eco-friendly insulation, ensuring long-lasting performance and comfort. Are your container homes weather-resistant? Can I customize the design of my container home? How long does it take to deliver and install a container home? What is a modular container house? Achieve versatility and efficiency with Modular Container Homes. These customizable, quick-to-assemble homes suit a range of applications, making them perfect for both residential and commercial spaces. Enjoy unmatched portability with Folding Container Houses.
