

## Newly launched energy storage battery

---

New "Salt Battery" Proves Energy Storage Exists, AgainThe US startup Alsym Energy is launching its new "salt battery" sodium-ion energy storage formula into the global market. Tesla launches integrated 20MWh Megapack Tesla announced its new integrated 20MWh battery energy storage system (BESS) solution, the Tesla Megablock, on 8 September in Las Vegas, US. Megablock is a pre-engineered BESS solution combining New York launches 1 GW bulk energy storage The state of New York announced its first bulk energy storage solicitation on Monday, issuing a request for proposals to procure a total of 1 GW from storage developers as part of a state goal CATL launches next-gen battery cell for energy CATL (SHE: 300750) has rolled out its next-generation energy storage battery cell, further expanding its bet in the sector. The battery giant announced at an event held in Shanghai yesterday that its 587 Ah high New Quantum Battery Could Revolutionize Energy StorageQuantum Leap in Energy Storage Scientists from the RIKEN Center for Quantum Computing and Huazhong University of Science and Technology have developed a new New "Salt Battery" Proves Energy Storage Exists, AgainThe US startup Alsym Energy is launching its new "salt battery" sodium-ion energy storage formula into the global market. Tesla launches integrated 20MWh Megapack BESS solutionTesla announced its new integrated 20MWh battery energy storage system (BESS) solution, the Tesla Megablock, on 8 September in Las Vegas, US. Megablock is a pre New York launches 1 GW bulk energy storage solicitation using new The state of New York announced its first bulk energy storage solicitation on Monday, issuing a request for proposals to procure a total of 1 GW from storage developers as CATL launches next-gen battery cell for energy storageCATL (SHE: 300750) has rolled out its next-generation energy storage battery cell, further expanding its bet in the sector. The battery giant announced at an event held in New Quantum Battery Could Revolutionize Energy StorageQuantum Leap in Energy Storage Scientists from the RIKEN Center for Quantum Computing and Huazhong University of Science and Technology have developed a new Canadian Solar e-Storage launches 8.36 MWh modular energy storage Canadian Solar's subsidiary e-Storage will launch its newest modular grid-scale battery, the FlexBank 1.0, at the RE+ trade show in Las Vegas, Nevada September 8-11. Schneider Electric unveils 200 kWh C& I battery storage system Schneider Electric has introduced a modular 200 kWh battery energy storage system for commercial and industrial (C& I) users, scalable up to 2 MWh across 10 units. AlphaESS launches all-in-one storage systems for C& I applicationsShare From ESS News China-headquartered storage manufacturer AlphaESS has released two new all-in-one energy storage systems for the commercial and industrial (C& I) CATL Launches World's First 9MWh Ultra-Large Capacity CATL today unveiled the TENER Stack, the world's first 9MWh ultra-large capacity energy storage system solution set for mass production at ees Europe , representing a Cummins expands their power generation portfolio with the Product features include proven lithium ferrophosphate (LFP) batteries for high cycle life, optimal liquid cooling thermal management designed to maximize battery life and New "Salt Battery" Proves Energy Storage Exists, AgainThe US startup Alsym Energy is launching its new "salt
