

Slovak lithium battery company

Gotion begins construction of Slovakian battery Gotion High-tech (SHE: 002074) has commenced construction of its Slovakian battery factory, following the announcement of the plan last December to expand its production capacity in Europe. The first battery line in Slovakia is launched The Slovak company InoBat has launched the first battery cell production line in Slovakia. It is situated right next to the research & development laboratories in Voderady. The maximum installed capacity of Slovakia's First Battery Factory Officially Begins, Slovakia Gotion Gigafactory Milestone Celebration Ceremony of Slovakia's first electric-vehicle battery plant officially began on October 28 in Surany. Gotion Starts Construction of 20 GWh Slovak Battery PlantGotion High-Tech has begun construction on a large-scale battery manufacturing facility in Surany, Slovakia. Spanning 65 hectares, the site is the first of its kind in the country. Gotion Launches Slovakia's First EV Battery GigafactoryThe Slovakia Gotion Gigafactory Milestone Celebration Ceremony of Slovakia's first electric-vehicle battery plant officially began on October 28 in Surany. It is redefining how Slovakia's First Battery Factory Opens, Transforming the Energy The inauguration of Slovakia's first battery factory marks a significant step towards a cleaner energy future, led by Gotion's vision for sustainable growth across Europe. Gotion Starts Construction of Battery Factory in Chinese battery manufacturer Gotion High-Tech has begun construction on a production facility in Surany, Slovakia. The investment is part of a strategy announced in December to increase production InoBat starts battery cell production in SlovakiaInoBat announces the official start of production for its battery cells in Slovakia. The company has produced its first cells on a pilot line in Voderady. It also wants to set up large-scale production with Gotion High INOBAT ANNOUNCES FIRST SLOVAK InoBat, a Slovak company dedicated to developing and manufacturing innovative batteries for electric vehicles, has announced another significant milestone. The first batteries labelled "made in Gotion begins construction of Slovakian battery Gotion High-tech (SHE: 002074) has commenced construction of its Slovakian battery factory, following the announcement of the plan last December to expand its production capacity in Europe.
