

Sunroom double-glass module sales

What is a modular sunroom kit? This 'do it yourself' Modular Sunroom kit is classified as a "materials supplied" kit. Finally, for those of you who want to create a four season space on your existing deck or patio slab, we offer a modular sunroom system that the average homeowner can actually assemble themselves! Are DIY sunroom kits better than professional sunroom installation? DIY sunroom kits are great for experienced craftsmen, but it's important to understand that screened porch kits do not have as many customizable options as our professionally installed sunrooms. Learn more about DIY Sunroom Kits vs. Professional Sunroom Installation. Order a Sample Kit Can a sunroom system be built with double pane glass windows? Both the Alpha Plus and OMEGA systems can be built with double pane glass windows. ONLY THE OMEGA sunroom system comes with the extra vinyl cladding on the extruded aluminum framing to provide that extra layer of thermal protection making it the ultimate in 4 season comfort. What are easyroom™; sunroom & aluminum screen room KITS?
