

Tonga exports energy storage products

What are Tonga's top export products?Tonga's top 10 export product categories accounted for 96.2% of the overall value of its global shipments. Aircraft and spacecraft represents the fastest grower among the top 10 export categories, up by 10,807% from to . In second place for improving export sales was machinery including computers via a 2,674% advance. What does Tonga export?Tonga exports root crops, mostly to supply Tongan and other Pacific communities, especially in New Zealand. Additionally, kava production has increased recently, with considerable export potential. What is the main industry in Tonga?Tonga is a small island nation located in the South Pacific Ocean, and its two major industries are fishing and tourism. Fishing is an important part of the Tongan economy, with the country's waters providing a variety of fish species, including tuna, marlin, and wahoo. Can Tonga have a sustainable export policy?agement regime needs to be designed (see below). Studies indicate that Tonga could have sustainable exports of more than US\$0.5 million from the fishery and even greater returns if higher product quality standa an value-added marketing could be developed. 65. A similar pattern of fa How much did Tonga export in ?A group of 36 inhabited islands in the South Pacific, the Kingdom of Tonga shipped US\$11.9 million worth of exported products around the world in . That dollar amount reflects an -71.9% decrease from \$42.5 million 5 years earlier in . What services did New Zealand export to Tonga in ?In , New Zealand exported the following services to Tonga, with a total value of \$245M: Travel (\$231M), Transportation (\$7.6M), and Government services, n.i.e. (\$2.76M). ENERGY PROFILE Tonga e resource potential Solar PV: Solar resource potential has been divided into seven classes, each representing a range of annual PV output per unit of c. pacity (kWh/kWp/yr).
