

## Uzbekistan Outdoor Energy Storage Project

The Project involves the construction, ownership and operation of solar power plants that can generate 1,000 MW, equivalent to the annual electricity consumption of approximately 600,000 households, and large-scale battery energy storage systems (BESS), with a total storage. Sumitomo Corporation (Head Office: Chiyoda-ku, Tokyo; Representative Director, President and Chief Executive Officer: Shingo Ueno) has, together with ACWA Power (Head Office: Riyadh, Kingdom of Saudi Arabia; Chairman: Mohammad Abunayyan; hereinafter "ACWA"), Shikoku Electric Power Co., Inc. (Head The European Bank for Reconstruction and Development (EBRD) is providing a comprehensive financing package of US\$ 142 million (EUR121 million) for two special-purpose vehicles (SPVs) that will develop Uzbekistan's and Central Asia's largest combined solar photovoltaic and battery energy storage. The European Bank for Reconstruction and Development (EBRD) is providing \$142mn (EUR121mn) in financing for two special-purpose vehicles (SPVs) set to develop Uzbekistan's and Central Asia's largest combined solar photovoltaic and battery energy storage project to date. The two SPVs--ACWA Power Uzbekistan's energy portfolio has historically been dominated by natural gas. Japan's Sumitomo Corporation, Shikoku Electric Power (Yonden), Chubu Electric Power, and Saudi's ACWA Power have secured financing agreements to develop Uzbekistan's largest solar and battery energy storage system (BESS). The European Bank for Reconstruction and Development (EBRD) is co-financing a solar energy and battery project in Uzbekistan by offering a financing package of EUR121m (\$142m). This project includes two special-purpose vehicles (SPVs), ACWA Power Sazagan Solar 1 and ACWA Power Sazagan Solar 2. Sumitomo Corporation (Head Office: Chiyoda-ku, Tokyo; Representative Director, President and Chief Executive Officer: Shingo Ueno) has, together with ACWA Power (Head Office: Riyadh, Kingdom of Saudi Arabia; Chairman: Mohammad Abunayyan; hereinafter "ACWA"), Shikoku Electric Power Co., Inc. (Head Sumitomo Corporation Signs Project Financing Agreements for The Project will develop the largest combined solar photovoltaic and energy storage initiative in Uzbekistan to date. EBRD co-finances major renewable energy and battery project in The European Bank for Reconstruction and Development (EBRD) is providing a comprehensive financing package of US\$ 142 million (EUR121 million) for two special-purpose EBRD provides \$142mn to develop Uzbekistan's The EBRD is providing \$142mn to develop Uzbekistan's largest combined solar photovoltaic and battery energy storage project, totaling 1 GW capacity and boosting renewable energy and grid reliability in the Japan Developers, Saudi and Uzbekistan Secure Financing on Sumitomo, ACWA Power, Yonden and Chubu secure financing for the largest solar and battery energy storage system (BESS) project in Uzbekistan. EBRD provides \$142m for solar and battery project The European Bank for Reconstruction and Development (EBRD) is co-financing a solar energy and battery project in Uzbekistan by offering a financing package of EUR121m (\$142m). Sumitomo Corporation Signs Project Financing The Project will develop the largest combined solar photovoltaic and energy storage initiative in Uzbekistan to date. Construction is scheduled to be completed after and upon commercial operation, ADB, Partners Sign Deal to Build Landmark

## Uzbekistan Outdoor Energy Storage Project

---

Solar with Battery ADB, together with ACWA Power Company, Sumitomo Corporation, Chubu Electric Power Co. Inc., and Shikoku Electric Power Co. Inc., has signed a landmark financing EBRD invests in 1 GW of solar, 1.3 GWh of storage in UzbekistanThe European Bank for Reconstruction and Development (EBRD) is providing \$142 million in financing to two ACWA Power-led solar-plus-storage projects in central Uzbekistan's Largest Energy Storage Project: Sungrow & CEEC Equipped with Sungrow's advanced liquid-cooled ESS PowerTitan 2.0, this facility is Uzbekistan's first energy storage project and the largest of its kind in Central Asia. The shutters-alkazar The project, which was revealed by Greenergy in November , will pair 1GW of solar PV with 4.1GWh of energy storage, which the company said makes it the largest energy storage Sumitomo Corporation Signs Project Financing Agreements for Uzbekistan The Project will develop the largest combined solar photovoltaic and energy storage initiative in Uzbekistan to date. EBRD provides \$142mn to develop Uzbekistan's largest solar The EBRD is providing \$142mn to develop Uzbekistan's largest combined solar photovoltaic and battery energy storage project, totaling 1 GW capacity and boosting EBRD provides \$142m for solar and battery project in UzbekistanThe European Bank for Reconstruction and Development (EBRD) is co-financing a solar energy and battery project in Uzbekistan by offering a financing package of EUR121m (\$142m). Sumitomo Corporation Signs Project Financing Agreements for Uzbekistan The Project will develop the largest combined solar photovoltaic and energy storage initiative in Uzbekistan to date. Construction is scheduled to be completed after shutters-alkazar The project, which was revealed by Greenergy in November , will pair 1GW of solar PV with 4.1GWh of energy storage, which the company said makes it the largest energy storage
